

Schedule Regenerative Biology and Medicine - winter semester 2018/19

1st semester

Aug 2 2018

weekly schedule for lecture period October 8 2018 to February 2 2019

(Christmas break December 22 2018 - January 6 2019)

October 8 - 12 2018: Group Presentations + Introductory Course

October 15 - 26 2018: Light and Electron Microscopy

time	Monday	Tuesday	Wednesday	Thursday	Friday
9:20 - 10:50	L: Stem Cells, Development and Regeneration CRTD, seminar room 1+2 start Oct 29 2018 see lecture plan		L: Stem Cells, Development and Regeneration CRTD, seminar room 1+2 see lecture plan		
11:10 - 12:40	S: Stem Cells, Development and Regeneration CRTD, seminar room 1+2 start November 26 2018		S: Scientific Working Methods and Conduct CRTD, seminar room 1+2 start Nov 7 2018 see lecture plan		
	Research Modules - Lab Rotations (15h/week)				4pm OPTIONAL: CMCB PhD Seminar CRTD Lecture Hall 1
